TUITION PAYMENT OPTIONS

Families may choose the payment schedule that best fits their budgeting needs. All options reflect the same total annual tuition.

Payment Option	Schedule	Notes
Annual	One payment due Sept. 1	Simplest option; full year paid at once
Bi-Annual	Two payments: Sept. 1 & Feb. 1	Split cost across the year
12-Month Plan	July 2026 – June 2027 (12 equal payments)	Consistent monthly budgeting
10-Month Plan	Sept 2026 – June 2027 (10 equal payments)	Slightly higher monthly amount; no summer payments

Families select one payment plan per school year. Payment plans are offered for convenience and do not change the overall cost of tuition.

CO-OP CONTRIBUTION

Beginning in the 2026–2027 school year, in addition to tuition, all families will select one contribution path per school year. Service-based tracks are limited in availability to ensure reliability, fairness, and adequate support for staff. In honoring different forms of contribution, we honor the many different ways families show up for this community.
